

Sept. 16-20, 2015 Registration Form

For information go to www.WisconsinJaguars.org or email Challenge@WisconsinJaguars.org

- FILL OUT THIS FORM.** The first thing you should do is review all of the events listed, decide which ones you want to participate in and then select them.

NOTE: The \$50.00 / person Event Registration Fee is required for each attendee and will provide you entry to the Road America track, where most activities will take place.

After selecting the specific events you wish to participate in, total the entire cost. If this total is more than the "Full Event Registration" fee, you can save money by choosing the "Full Event" fee. Just mark the specific events you will attend.

- Print this form and sign page 3, also sign page 4 if you are entering the slalom event.
- Make an extra copy of this Registration for your own records.
- Make check payable to: Wisconsin Jaguars Ltd.
- Send your payment, with a signed copy of this form, to:

Questionnaire regarding - Performance Modifications

In order that the Slalom Steward may determine proper classification of all cars with modifications of any kind, please complete the following:

Make/Model/Year: _____ Slalom Class: _____

Owner/Driver: _____ JCNA Number: _____

Check the box of each of the following modifications or items that apply to your car:

- a. Installed 5-point roll bar (4-point roll bar in OTS permitted in stock/SP and will not count as a modification).
- b. Tire treadwear rating below 140 and above 80 (unless original factory standard or optional equipment in that class, which shall be permitted in stock class and not considered a modification for this rule). Any street-legal tire/wheel combination is permitted in SP so long as no body modifications are required to permit their use, provided tire tread wear rating is above 80.
- c. Suspension modifications including up-rated torsion bars and/or springs, up-rated and/or added sway bars, adjustable shocks, polyurethane suspension bushings.
- d. All performance-enhancing brake modifications.
- e. After-market wheels (non-Jaguar wheels or wheels that were not Jaguar original or optional equipment, or their functionally equivalent replacement part, for the class of that car)
- f. Tire profile lower than that listed in Operator's manual.
- g. Lowered ride height (beyond that permitted by the normal adjustment of the car's suspension)
- h. Weight reduction (other than removal of loose equipment, fuel or the car's spare tire)
- i. Exhaust headers or flow enhancing exhaust pipes
- j. After-market external engine accessories that enhance performance
- k. Internal engine HP enhancements
- l. Flow enhancing intake modifications including low restriction air filters
- m. Other performance enhancing modifications not specifically stated.

Total _____ **Five or fewer of the above items keep the car in the applicable Street Prepared class.**
More than five of the above circled place the car in Modified class.

Note: Cars with any of the following modifications are automatically in Modified class:

- a. "R" compound tires, Autocross tires, shaved tires or "slicks";
- b. Tire treadwear ratings below 80; or
- c. After-market turbo or supercharging.

Failure to declare modifications may result in disqualification from all runs in this event and may be referred to the JCNA Slalom Committee for further action.
