Well, the 'Ring of Fire' Solar Eclipse almost disappointed us at our Concours d' Elegance car show, as the skies were cloudy in the early morning. Fortunately, it slowly cleared up and we were indeed able to view the eclipse with the safety glasses provided by our Club President, Brian Blackwell. It was a unique way to experience this event amongst all the beautiful Jaguars on display at the new JLR San Antonio dealership.

EDGING IT

Article by Brian Blackwell-SAJC President - Nov-Dec, 2023

With only one JCNA Concours in our state to go, in Houston on November 4th, it is safe to say that the Jaguar club related car show season is now complete. In addition to Ken James representing us at the International Jaguar Festival in Columbia, SC, we have had the "Ring of Fire" Alamo City Concours d'Elegance and South Texas All British Car Day, all since the last newsletter.

In the case of the eclipse, it was touch and go for a little while if we were going to see anything but cloud cover. Fortunately, the skies cleared just barely in time for the eclipse on Concours day. We all had a clear view up there that could be viewed long and safely with the disposable safety glasses we provided to all comers. It never got nearly as dark as the media said it would, and you could still see plain shadows at maximum totality, which surprised me, and many others too. To think that I had wondered if we needed to be concerned that it would be too dark to judge cars when we wanted to start judging, and we would cause a delay. It turned out to not be an issue. Thanks to the work of everyone who organized this event, we recovered our car count greatly, stretching the available judges, and causing us to draft all three judges visiting from the Dallas area club, Jaguar Owners Association of North Texas. We finished the certification of four new judges for SAJC this year, which will make our need to draft other club judges go away next year. Thank you to Steve Collins, Steve Speakes, John Sullivan, and Michael Voulgaris for volunteering and doing the work to become JCNA Certified Judges.

I am not sure if many of you look at social media that much, or if you follow Jaguar Clubs of North America or The Coventry Foundation online if you do. I only look at it every week or two, which is often enough to learn a few things, but often not the full story. A month before the International Jaguar Festival in the city where The Coventry Foundation is largely based, I saw where they were receiving the donation of what was no doubt in my mind the finest Series III XJ6 in North America. Perennial winner of the JCNA 1st place trophy in its class, the claret color XJ6 of Dave and Margaret McDowell of JOANT had been judged by myself a couple of times. The engine compartment then looked like it just rolled off the boat in New Jersey around 40 years ago. That was the result of preservation, and restoration. I recall Dave providing a seminar at an Annual General Meeting on the process he developed to rejuvenate the color of this car's no longer purchasable windshield washer fluid reservoir, from its aging yellow to a new looking clear. A chemical solution he used included hydrogen peroxide, sunlight, and many other steps I do not remember. This car was a labor of love for both Dave and Margaret. She told me at our Concours that they donated it, as they did not want to see somebody driving it around as a daily driver. The Coventry Foundation posted once marveling at it, with some photos showing it in the same state that it was when it was being shown. Then, they posted again after the festival, that they 'had run out of room', and were going to put this car up FOR SALE! That daily driver scenario might happen, just not in Dallas. One would have thought that room for this pristine example of the last car Sir William Lyons had a major hand in styling could have been found. The sales the Series III XJ6 created saved Jaguar in the early '80's, and kept it alive until Ford came along.

In closing this year, please come to the SAJC Christmas party, being held this year on Saturday, December 9th, at Club Giraud on the river. Officers elections for 2024 will be held, as prescribed in the club bylaws. Information on it will be elsewhere in this newsletter and available soon on www.sajaquarclub.info. Due to term limits, I will not be President in 2024.

SAJC Monthly Meeting Minutes for October 5, 2023

Secretary's Report: September meeting draft minutes were emailed prior to this meeting, so no reading of the minutes was performed. Given the noise from a group having a meeting in the adjacent room, such a reading would have been a challenge.

Treasurer's Report: SAJC Treasurer Robert Clemons reported the club balance of \$4,111.41. There are deposits pending for receipts from Concours and All British Car Day entries totaling \$3,487.

OLD BUSINESS

1. Tour to Driftwood on 9/23 - Not a lot of members were able to make the rescheduled date to move it off Rosh Hoshana, but a pleasant day for driving the Devil's Backbone, having some lunch, and wine tasting afterwards was had. We met at the QT Station south of the Guadalupe River on US 281 north of San Antonio and drove east to hit The Devil's Backbone. The restaurant was not crowded and the nearby location of Fall Creek Vineyards made it a convenient day and afternoon. In addition to the Blackwell's, the Renero's, Janine Warheit, Michael Voulgaris, John Sullivan, and Manny Jimenez came out for it.
2. Get Well Card for Jay Zinser of JCOH – Perennial Concours participant and former King of Class Trophy winner Jay Zinser has advised he is again fighting his battle with cancer and will not be able to attend this year. A card was circulated for member signature and will be mailed to Jay.

NEW BUSINESS

1. Alamo City Concours d'Elegance – Entries received to date were reviewed, totaling 13 at this point, along with finalized plans for a gathering at the happy hour at the Aloft Hotel next to Jaguar Land Rover San Antonio from 5:30-7:00. The Awards Banquet at Sustenio, and the parking there, was also reviewed. Robert Clemons advised that he would bring a wire less microphone system as the restaurant has said they had no microphone. The King of Class Trophy for 2023 has been completed and picked up and paid for by Brian. The 'Ring of Fire' Solar Eclipse and the arrangements with JLR San Antonio were also discussed. Eclipse glasses have been procured. We discussed a slide show and Fran offered to contact Bill Kannawin. Another running of the oldies may be used again if we do not have a new slideshow to display.
2. South Texas All British Car Day on October 28th and the planning efforts were also reported on. This event will be held in Boerne on Main Plaza with registration starting at 8:30AM. T-shirts have been received and paid for by Brian and are available for purchase after this meeting. Thank you to several members (including John Sullivan, Steve Collins, Robert Clemons, John Sullivan, Michael Orozco, and Grady Lagleder) who volunteered to help with the event.

We have to provide the coffee and cookies in the morning, do the registration, sell the T-shirts, tally the votes, and award the trophies. Some door prizes have been received from Moss Motors to raffle off. Entries are being received and the list maintained by Brian. He will assemble registration good bags with pre-ordered T shirts and printed dash placards. 21 cars are entered as of this meeting, with the goal of 90-100 total on the field.

3. SAJC Executive Committee Meeting - A bylaws required meeting of all officers and directors of SAJC was held on October 4th in order to discuss a slate of proposed officers to be submitted to the members and voted on at the club Christmas party, also as prescribed in the club bylaws. The meeting was held at Victor's Service Center with club officers Brian Blackwell, Gabriel Renero, Robert Clemons, and Fran Curran, and club directors Eddie Garcia, Don Snyder, and Victor D'Souza. Fran Curran is also a Director. In addition, Bob Sheldon and Manny Jimenez were in attendance. The consensus of the meeting was to nominate elected officers as follows:
 - a. President – Gabriel Renero
 - b. Vice-President – Manny Jimenez
 - c. Treasurer – Bob Sheldon
 - d. Secretary – Brian Blackwell
 - e. Activities Director and Newsletter Editor – Fran Curran
4. Christmas Party Reminder - SAJC's Annual Christmas Party and Officer Elections will be held on Saturday, December 9th at Club Giraud (thanks to club member Steve Collins). Fran was asked to organize the menu and Brian will set it up for online reservations and payment. We discussed doing the drinks on the honor system as was used at Silo last year, rather than cash payment and tickets.
5. Next Meeting - Next month's meeting will be held on Sunday, November 12th at 2:00PM at The Parman Library at 20735 Wilderness Oak. This meeting will be the annual events planning meeting for 2024. Future meeting locations will also be discussed.

Meeting Attendees: Brian Blackwell, Robert Clemons, Fran Curran, Eddie Garcia, Dora Garcia, Dennis Lamm, Madeline Millet, Manny Jimenez, John Sullivan, Gabriel Renero,, Michael Orozco, Steve Collins, Bob Sheldon, J. Michael Voulgaris, Janine Warheit
