# Mogollon Mews

The Newsletter for the Jaguar Club of Northern Arizona

We don't post the Mogollon Mews newsletter here

## The Jaguar Club of Northern Arizona

**A Jaguar is much more than an automobile.** Owning a Jaguar is owning a piece of automobile history. Being a member of a Jaguar club is to enjoy the company of likeminded people providing opportunities to exchange information about how to maintain the cars, to display your cars in car shows, and to enjoy drives, lunches and dinners with fellow members. Being a member of the Jaguar Club of Northern Arizona (JCNAz) provides you with opportunities to consult with members about how to preserve older model Jaguars as well as to participate in road trips. Some trips can be associated with overnight stays but other trips might be organized for just the pure enjoyment of driving. Members are resident in Prescott, Flagstaff, Cottonwood, Sedona, Parks, Williams, Queen Creek, Durango.

Membership in 2024 is \$70 per year for couple or single membership, which includes (\$45) dues to the Jaguar Club of North America's (JCNA), a subscription to the Jaguar Journal, access to JCNA's web site, and the JCNAz monthly newsletter, the [Mogollon Mews](#). For members with JCNA membership from another club it is \$25 per year.
