It's April – no foolin'! As I write this there's snow on the ground, but I'm sure (sorta) that it's the last we'll see of that this spring.

I'll start off with a thank you on behalf of Ellie and I to all of you who have been so generous with your support and positive comments to us about The Indicator. We've been at it for a few years now, and we really appreciate your kind words.

The Indicator picked up three JCNA newsletter awards this year, and the great thing about them is that the articles were all contributed by different members (see page 9 to see the winning entries). That brings me to a request I hope you'll consider.

We love getting content from JAGM members; articles, pictures, ideas... anything! Obviously articles were at the top of my mind as we received the JCNA awards for club members' articles. Also, though, think about contributing pictures. I know a lot of you enjoy photography and I'd welcome any pictures you take that you particularly enjoy. If you think they're interesting, other members will as well. They can be pic-

Feather Bowling at Bath City Bistro – March 17th

JAGM's annual Feather Bowling outing coincided with St. Patrick's Day this year. The Bath City Bistro had a great number of revelers clad in Kelly Green, starting their celebration as the venue opened at 10 am. In stark contrast, our group of eighteen members enjoyed the excellent buffet brunch, but with our "game faces" on, looking forward to the colossal sporting event that was soon to follow.

As dictated by tradition, the feather bowling competition would pit the ladies vs. the gentlemen. I noticed during the brunch

Feather Bowling at Bath City Bistro – March 17th (cont'd)

that both teams' members gravitated toward the menu items that tend to enhance feather bowling performance – particularly the bacon, French toast, sausage gravy and green mimosas. In any sporting endeavor, training and nutrition are critical.

The lead changed back and forth multiple times until the score was tied 4-4, with the final round set to determine the winner. It was at this point that the gentlemen came up with a couple “ringers” as substitutes (noting that nothing in the posted rules prohibited it). When the last of the 12 disks had been rolled,

Once we moved upstairs to “the big alley,” teams and bowling order were carefully chosen, the disks and feathers were put in place, and game plans were finalized. The atmosphere was charged with electricity (or something). As the game began it was clear that the bowlers, drawing on decades, years, or in some cases minutes of experience had mastered the use of pace, wobble and wave theory to place their disks in optimal locations.

the gents had managed a miraculous 4-point advantage to claim the match. Having met with many disappointments in past matches, this win will be greatly savored for the next year.

Thanks to Tom and Jonnie Bailey for organizing this great event once again!

Port Huron Maritime Museum Poker Rally – Saturday, April 27th

Last month's Indicator gave a lot of information on the 4 Maritime Museums located in Port Huron. Not many know about these 4 places. Good, bad or indifferent, you will have 45 minutes inside each one before moving onto the next museum. At each Museum, you will receive a poker card. At the final Restaurant, you will receive your fifth poker card. With 5 decks in use, we will have some interesting poker hands. Prizes

will be awarded to the top poker hands. Admission is \$20 per car. Museum admission should be free.

Please register on www.JAGM.org by April 20th.

This will be our first poker run of the year. There will be another one through Shelby, Washington and Romeo, later in the summer.

JAGM Annual Charity Auction

One of the great traditions of our club is the Annual Charity Auction, held this year on Sunday, February 25th. For the third straight year Lee Jacobsen opened up his garage facility for the auction, which benefitted "Homes for our Troops."

auctioneer the past couple years, but he was under the weather this year, so we needed to improvise. It took a few of us to fill those big shoes, but thanks to a very understanding and patient crowd, we managed to work through all the items. Even the watch that needed a battery, though that one took some work.

It helped that no one had thought to bring overripe fruit to throw at the amateur auctioneers.

When all was said and done, we raised \$1850 for

We started the afternoon with Jimmy John's box lunches and plenty of time to talk, tour Lee's garage and preview the great selection of items donated to the auction. Along with the "usual" types of things like garage art, apparel, toys, books and models, we had a few "unique" items, like some terrific handcrafted wood items from Tom Hudak and a collection of turkey feathers and a very, very heavy engine stand from Bob Matejek.

Gary Cunningham has done a great job as our

Gary and Tim's Excellent Adventure/Awards Presentation

Shield's Pizzeria in Troy was the location of our first in-person membership meeting of 2024. About 20 members enjoyed the variety of menu items available for dinner, learned about recent and upcoming club events, heard the announcements of JAGM and JCNA awards, and finally were treated to a slide presentation titled "Gary and Tim's Excellent Adventure."

After eating, Phil Crutchfield led us through the JAGM calendar events in the next few months.

Then Bob Matejek gave a recap of the recent Sloan Museum outing and introduced some upcoming events. These included the Port Huron Museums Poker Run on April 27th, Rambler Rallies' Lap the Lake tour in late May, and the two Classic Car Nights plays at Meadow Brook Theater in May.

Next I had the honor of presenting our JAGM awards. This year the board approved one special award. An "Outstanding Leadership Award" was presented to Teresa Klotz for her five years as JAGM President. Teresa was unable to attend the meeting so the actual

presentation will come later. The annual Most Active Member awards were next. The winners for 2023 were: **1st Place – Pete and Deb Conway; 2nd Place - Bob and Pat Matejek; 3rd**

Bob Matejek then announced three (!) JCNA Newsletter awards. It's pretty special getting three North American club awards – especially with all different authors! (See below for details).

Gary Cunningham and Tim Moore anchored the meeting, sharing great pictures and many stories about the trip they took to England last Fall. Highlights included the Jaguar Daimler Heritage Trust in Coventry, the universities and architecture of Oxford and the world-famous Goodwood Revival.

JCNA Special Newsletter Awards

The Jaguar Clubs of North America has been judging Newsletter, Editors, and Articles for many years. I personally have been involved in it for 11 years. JAGM usually gives a pretty good showing.

First Place in the Event Category went to Bic and Daksha Gohil and their article on the "Bay Harbor Classic Car and Boat Festival". That was printed in the August 2023 Indicator.

First Place in the Jaguar Life Category went to Jeff Parko, Lee Jacobsen and Gary Hillebrand and their article "Happy 75th Anniversary, XK120!". That was published in the December 2023 Indicator.

Second Place in the Travel Category went to Bob Matejek with the article "Lap the Lake (Michigan) Rally". That was published in the July 2023 Indicator.

We have some pretty good writers and newsletter editors to keep you up on activities.

The newsletter and website are the lifeblood to keep everyone informed and active.

Sloan Museum Tour

We had a wonderful sunny brisk day to visit the Sloan Museum of Discovery in Flint. None of us had ever been there before, so what did we have to lose. The museum is almost split into two halves. One half addressed the old history of Flint with bark covered lodges and items of that period. Then we got a bit newer and finally ended up in their very nice car collection. The other half was more of a kids learning and experimenting center. I have to admit that we had some kids among our group. It is a very nice museum for anyone to

visit.

We planned on 2 hours. After 1 1/2 hours we gathered and headed out for lunch. We followed the restaurant recommendation from the Museum and went to Hoffman's Deco Deli and Cafe. It was a very pleasant deli with an abundance of food and decorations along the walls. If we are ever back in that area, that is a great place to stop. We all had a great time, saw some interesting things, ate some good food and spent time among our club members.

If anyone is going the "Back to the Bricks" events at the Sloan, try to stop at Hoffman's Deco Deli and Cafe.

Update! Vintage Racing at GingerMan Raceway—May 4th

The Vintage Sports Car Driver Association (VSCDA) is holding its Spring Brake vintage racing weekend at **GingerMan Raceway**, near South Haven, the weekend of **May 4– 5**.

GingerMan is a 2 mile long road course. The Spring Brake weekend features multiple classes of vintage race cars, each running in a qualifying race, then a 20 minute Sprint race.

Our club's plan has changed since last month's article; we will spend **Saturday, May 4th** at the track, like last year. Practice sessions start at 8:30 am and racing finishes around 5 pm (racing continues on Sunday as well, in case you want to stay to see more). There is a break mid-day for what they call "Touring" laps. That's when we can, for a mere \$35, drive our own cars on the track. The

track time for touring is around 50 minutes, which makes this quite a bargain. We enjoyed it immensely last year.

For more information on the event, go to: <https://vscda.org/events/gingerman-spring-brake-drivers-school-races/>. The site includes a schedule of the entire weekend event.

Admission to the track is \$10/person, and the cost to participate in the "Touring" run at noon is \$35. **Register for the event at JAGM.org/Events/Upcoming**. You'll also find a registration form for the Touring event there. Depending on the number of interested members we may coordinate the drive to the track, restaurants, and hotels for those who want to make a weekend of it.

ECC Cars and Coffee—April 13th & May 11th, 8:45 AM—Noon

You'll be part of an eclectic mix of American classics, musclecars, European classics, and supercars when you join in this monthly event.

The ECC Cars and Coffee is located at 15701 Technology Drive, in Northville Township. There are entrances off of 5 Mile Road and Beck Road to Technology Drive and there will be signage and volunteers to direct people to the correct location. Make sure to enter the location through Technology Drive and not Centennial Drive as Centennial is not suitable for many cars to drive on.

This year ECC is collecting \$5 for each car as they enter, except for the Group Parking Cars, up to the number of spots that we pre-paid. So please inform the attendant upon entry that you are part of the Jag-

uar Club Group Parking. As long as the number of Jaguars entering has not exceeded our 10 reservations you will not need to pay the \$5. We will collect the pre-paid entrance fee upon your arrival. If you are number 11 or greater you will have to pay the \$5 entrance fee and will not be able to park in the group parking spots.

The group parking area will be up front in the parking lot and will be marked with cones and ropes. Look for our JAGM feather flag. The first 10 people who register can park in the car club group parking area. **So please register early on the JAGM.org Events page.**

British Return to Fort Meigs, Lunch, Snook's Dream Cars, and More - June 2nd

June 2nd marks the 25th anniversary of the “British Return to Fort Meigs” auto show in Perrysburg, Ohio. Our club has participated for the last two years and found it to be a relaxed, friendly and interesting show with a great variety of British cars and motorcycles on display in a quiet park setting, adjacent to the Historic Fort Meigs site.

This year we are adding new reasons to make the relatively short drive into Northern Ohio for the show. JAGM members Ralf and Marta Pionke are arranging for a brief tour of the nearby **Snook's Dream Cars museum** in Bowling Green, followed by an invitation to enjoy their hospitality at their home overlooking the Maumee River near Grand Rapids, Ohio (yes, there is a Grand Rapids in Ohio!).

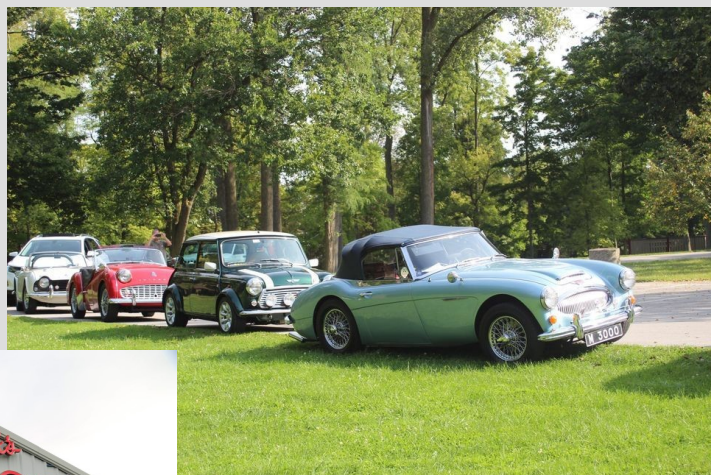

You can see a detailed timeline of the day's events on the Upcoming Events page at JAGM.org, but here's a quick summary:

- 8:45 am** - Meet at McDonalds in 1533 N Telegraph Rd, Monroe, MI to begin the caravan to Perrysburg
- 10:00 am – 1:00 pm** British Return to Fort Meigs car show (29100 W River Rd, Perrysburg, OH)
- 1:00 pm**—Depart from the show for lunch at Biaggi's Ristorante Italiano (1320 Levis Commons Blvd, Perrysburg)
- 2:35 – 4:15 pm**—Drive to Bowling Green, OH and spend an hour touring Snook's Dream Cars museum (13920 County Home Rd, Bowling Green)
- 4:15 – 9:00 pm** - Drive to Ralf and Marta Pionke's home and enjoy the Maumee River view, the cars, the pool and maybe a great sunset.

So, what do you need to do to enjoy this full day of fun?

Register with the Lake Erie British Car Club (LEBCC) for the British Return to Fort Meigs event. The cost to display your car is \$15 if you register in advance (by Friday, May 24th), or \$25 on the day of the show. LEBCC's regis-

tration page is at <http://msreg.com/25thFtMeigs>.

Register for the rest of the day's activities at JAGM.org, so we'll know how many people to expect at the restaurant, Snook's Dream Cars and the Pionke's.

Join us for an evening of lounging by the pool, or the river with the possibility of a nice sunset view.

Organizers: Ralf Pionke, Phil Crutchfield and Gary Hillebrand

Lap the Lake Rally 2024 — At least one spot still available!

Rambler Rallies has really found a niche market running enjoyable picturesque rallies around the country. The one in our neighborhood is Lap the Lake. This year the rally takes place **May 20 to 24**. About 100 cars meet on the North Side of Chicago, and the rally will run through Wisconsin, then Michigan UP, then Traverse City and then down the East side of Lake Michigan. Every day you are given turn by turn directions if you care to follow them. The large group breaks up into smaller groups that usually go wherever they want and still make the new hotel that evening. Sometimes there are real activities planned, other times not. You will be driving about 220 to 250 miles per day. I went on this Rally last year with 5 other JAGM cars and we all had a great time. Some are returning to do it again. The routes and hotels change every year.

Go to the JAGM website under Past Events and look up Lap The Lake from May 2023. You will find a lot more information there from the eyes of your Club Members.

Rambler Rallies are officially sold out this year, already having 100 cars signed up. Almost... When I signed up, I accidentally signed up for 2 cars so I am holding one space on the rally for anyone interested that has a car that is ready to go. They give you a list of suggested hotels so everyone is staying together for socializing and planning the next day's adventure. All cars have a large cling sticker on both doors so you can recognize other rallyers.

Last year, there were supposed to be 85 cars and some backed out leaving 80. Their target is always 100 cars. Besides my available ticket for about \$300, you can probably get a ticket directly from Rambler Rallies well before the trip. Many people reserve early

and then life gets in their way. You can get a lot more info on the Rambler Rally website, I will also be offering my extra ticket to another car club on Tue 4/2.

Mueller's Steak Fry — June 1st

The Mueller's would like to welcome JAGM members to the annual Steak Fry. Please bring your favorite dish to pass and picnicware. We will start at **1:00 PM** and we will supply the meat.

Please call **810-618-3026** or email mueller1939@gmail.com by **Friday, May 24th** and let us know you are coming and how many people are in your group. Also, let us know what side dish you will be bringing.

We've put in our order for nice

weather so that we can enjoy spring time in the orchard. The trillium should be in bloom. We have lots of room and hope to see all of you.

March 2024 Valve Cover Racing (“VCR”) Clinic

With nippy temps and a bit of snow still lingering, eleven people attended the VCR clinic at Lee Jacobson’s garage—three from JAGM and the balance from the MG clubs.

Two new VCRs were built during the clinic. Jeremy Brown (an MG guy) built a British Green VCR using a valve cover from a 1951 MG TD. He used push scooter wheels with his stock (provided by Lee) chassis. After some tinkering and tweaking his car was tracking straight. After weight was added to just under the 12-pound limit (for the under 12-pound class), and the car had run down the track a good number of times, his car was done for the day.

A second VCR was built by the author using Lee’s stock chassis, shopping cart wheels, and a valve cover of sorts that Lee had lying around his shop. In less than 30 minutes the car was assembled and tested for tractability. Amazingly it tracked quite true from the start, with only a slight adjustment required. Once running true, some weight was added so that the car weighed in at 11.8 pounds.

Thus it was solidly in the under 12 pound class. No work was done to improve upon it’s rat rod appearance.

The new VCRs and a number of other existing VCRs took turns going down the track.

There are some new national VCR rules in place now. The first one is that each car is started individually, not by one control for both cars. An electronic timer is also now used. The

timer has a flashing yellow light, which after a few seconds stops blinking and remains solidly lit. Then within two to ten seconds (it varies to make things more interesting), a larger white light is lit. That signals that the race has commenced. So now the speed of the

operator in releasing his or her car is also part of the race. So a tad slower car that tracks straight with a better start can be more competitive. Drag racing starts have come to VCR.

So on a chilly Saturday morning in March, with coffee, donuts, VCRs being built or being worked on, and the conversations that always happen about the cars at Lee’s garage, a good time was had by all.

Save the Dates – Three Big Summer Events

It’s early, but summer weekends fill up quickly, so you may want to get these three great annual events on your calendar.

June 20-22: The Bay Harbor Classic Car and Boat Festival (Petoskey area)

JAGM has had a big part in this event for the past two years, and this year we’re planning an additional activity – an evening dinner followed by a sunset cruise on Thursday, June 20th.

July 13-14: Mad Dogs & Englishmen British Car Faire (Gilmore Museum, Hickory Corners)

We always get a good representation of Jaguars at this popular annual show. This year the Jaguar E-Type is the Featured Marque in the show, and pre-1961 Jaguars are the Rare Gems, so JAGM and other Mid-

west Jaguar clubs have been requested to display as many cars as possible. The weekend includes a Saturday rally and the show is Sunday at the Gilmore. JAGM also traditionally does a Saturday evening dinner and play at the Barn Theater in Augusta, MI.

September 1: 56th Annual JAGM Concours d’Elegance (Canterbury Village, Lake Orion)

Plans are well underway for our club’s biggest event of the year. It’s a great opportunity to display your own car(s) and view a fantastic variety of Jaguars on the scenic grounds of Canterbury Village. Have your car judged, or not; either way our Concours is a fun day and a good way to meet other members and share knowledge and stories.

See more details for these events as they develop in the Upcoming Events page at JAGM.org. Also you can check out the stories of previous years’ events in past Indicators.
