President's message for September & October 2024

It's early on a Monday morning here in Monterey, and I'm looking out the window and seeing something that's a rather unusual sight in mid-September: Rain. As welcome as this is for our drought-prone central California coast, it creates a rather somber atmosphere during our typically sunny last days of summer. And what a summer it's been for the JAG club, with lovely drives through the North Bay in mid-June and the South Bay in early August. On the later drive, I'll never forget the majestic views of the San Antonio Reservoir as we twisted our way down Calaveras Rd. from Sunol or the breathtaking panoramic vista of the entire southern bay area from the top of Sierra Road.

But this summer hasn't been without its somber moments: As many of you know, we lost our wonderful long-time JAG member George Barry just one day after the South Bay drive. Although I personally didn't know George well, I always admired his enthusiasm for the cars and our club. A great example of his Jag-driving zeal was displayed during a rainy drive the club took in October 2023 (the British Octoberfest) from Portola Valley to Cameron's in Half Moon Bay. George drove his beautiful open-top C-type Jaguar roadster though the pouring rain, clad in his iconic leather jacket covered with automotive patches. By the time we got to the San Gregorio General store, not only was he soaking wet, but his car had about a half-inch of water in the bottom! Despite his obvious discomfort, I didn't hear George voice a single word of complaint. It reminded me of the phrase that's often used to describe men of his age: that they belong to "the greatest generation." To say that George's presence and participation in our club will be sorely missed is an understatement.

Our sincere condolences go out to George's wife Andrea and the rest of his family.

As we move forward into fall, our club has some truly great events just ahead of us, including our Sonoma-Napa Wine Country Getaway (Sept. 26 and 27) and the truly momentous CalClubs Reunion which our club is hosting in Carmel from October 24th to the 27th. Our fabulous JAGazette editor, Kristan Neubecker, has put together an amazing collection of events for the reunion (kudos Kristan!), including British Day at Pebble Beach to kick off the weekend, the Monterey British car show in Carmel Valley (open to all British car enthusiasts), "Leaper Laps" at Laguna Seca, and the Fall Colors drive through the back hills of beautiful Carmel Valley.

Our club also has a very special event coming up on November 16: The Lunch and Drive to the Bertolotti Car Collection, when our club will be privy to an amazing private collection of rare cars. I know you've heard it before, but if you haven't already signed up for any or all of the great events, please do so right away; it's easy on our club website: <https://www.jags.org>

Looking forward to seeing you all this fall,
Sandor Nagyszalanczy
President

SOUTH BAY DRIVE AND LUNCH

On the morning of July 7, 25 Jaguars arrived in Fremont for a drive through the South Bay. I have noticed that Jaguar members are very easy-going and resourceful. For as we entered the parking lot drive leader Stuart Smedley had chosen, we quickly noticed there weren't many parking places available. We hadn't accounted for the huge number of people at the large Farmer's Market going on down the street. So, members Carla Hartunian and Paula Mathis starting standing in empty parking spaces and directing lucky Jaguars to come park there. A makeshift parking area was even created by blocking Jag members' cars. During the drivers' meeting it was suggested we even change the direction exiting the lot to avoid all the traffic and shoppers. Thanks to George Barry. Not a problem, we're easy-going! So, we departed onto Niles Canyon Road where we drove parallel to the historic train tracks which were built in 1901. After which we were supposed to stop for a single lane traffic signal which was supposed to take several minutes of wait time, but the JAGUAR GODS were at work and our whole lane of cars went right through. We then passed under highway 680 onto Calaveras Road with a view of the Calaveras Reservoir below.

Then when it was time for the pullover to bring everyone together, instead of having to wait. All 25 cars arrived at the same time. Since we were the last car, we could see them all. What a sight! We all decided when the last car in line arrives, they should honk 3-4 times. That's our signal we're all here and let's move on!

After some energetic driving, lots of turns, we arrived at the Sierra Vista Open Space Preserve. The plan was to park and relax for a short while and take in the view. When we arrived the parking lot was empty except for a Ranger and his truck. He was just about to leave when we arrived. With a big smile on his face, he went and toured all the cars one by one instead. From the parking lot we could see an amazing view of Santa Clara Valley, San Jose and the

Mount Hamilton Observatory. When it was time to leave the lot, our Ranger was still there watching us. Next up was a brief 10 miles to get to lunch in Milpitas at Romano's Macaroni Grill. As we drove into the restaurant lot, we were greeted by a Fremont Police truck parked at the end of the expansive lot. The restaurant manager had secured the officer. He was only there to watch the now 26 Jaguars, since John and Susan Swensson had joined us. I made sure he also received a Jaguar goodie bag this time with homemade cookies inside. He stayed there until the last few cars left. Since our cars were safe, we could relax and enjoy a 2-course lunch of Caesar salad and a choice of entrée.

It was a drive and day many of us will never forget. It was the last time we would get to laugh and enjoy time with our dear friend George Barry. I'm so grateful for my last hug with him. Our times with each other are special.

Car Week

WOW! And boy, do I mean wow!!! Lots of great people and tons of truly incredible cars! I could fill the entire 20 pages to telling you about the amazing ten days that make up car week but instead, I'll keep it short and share a squidge of the thousands of moments from 2024.

October 21, 1954, the San Francisco Chronicle printed "First meeting of an about-to-organize Jaguar owners club will be held in the near future." And that's how Jaguar Associate Group (JAG) became the first single marque club in Northern California.

October 18 - 19, 1969 brought the first "Del Monte Weekend" advertised as "This event was planned for those who would like something out of the ordinary with a little touch of elegance that is in keeping with our tastes in cars."

October 24 - 27, 2024, I hope you can join us at CalClubs Carmel. As my co-host Linda said, "it will be an exciting, memorable weekend with unique opportunities for socializing in a Bucket List destination with a long Jaguar history and a world-wide reputation as a meeting place for lovers of exquisite automobiles. The venues and activities have been chosen to incorporate the special beauty and history of this area and many are not open to the public so this will be a one-time only opportunity."

Big Sur, Carmel-by-the-Sea, Carmel Valley, Monterey, Pebble Beach and even some of our "wine trail", there will be lots of wonderful moments in some of the most breathtaking and beautiful areas where many people wait their entire lifetimes to visit.

Thursday travels through areas that are always listed in the top 10 of must-see destinations and you do not want to miss Friday's incredibly historic day with very special guests.

Saturday our Jaguars are the feature for an invitation only cars & coffee before the debut of our all-British show on the lawn, the scenery continues as we head over "the grade" to Laguna Seca for Leaper Laps, and for those interested, we'll finish up the day at the Irish bar where we can celebrate with a special Jaguar cocktail made just for us.

Sunday we are creating our own British parade cheered on by locals before driving along some of Monterey county's most beautiful backroads. For those that don't catch the easily accessed highway options and head home, our adventure will finish at the British pub on the water which has won the award for the best fish & chips in town several years in a row.

It's with a heavy heart that I report the passing of George Barry, who died suddenly on Sunday, August 4. George was a member of JAG for over 40 years and had the earliest JCNA member number of any active club member. He has served as both Treasurer for 11 years as well as member at large. His long-term exceptional service to the club earned him and his wife Andrea the honor of being elected Lifetime members. He loved his 1953 C-Type replica driving with Andrea and usually his loving dog Ginger at his side. His C-Type was awarded best in class in North America by JCNA two years in a row. He had great knowledge of cars and was very generous with his time. He always had kind words for everyone, and his easy manner and humor made you smile. He was that rare genuine friend and will be missed by anyone who came into contact with him.

Our deepest condolences go out to Andrea and the entire Barry Family.

September/October Membership Report

Phil Endliss - Membership Director

JAG now has 226 active members including six Associate members. We have exceeded our annual goal! But let's not stop here. Please continue to be on the lookout for potential new members to help us maintain our status as the largest club in JCNA. Make sure to use your "You've Been Spotted" postcards or business cards when you see (or bump into) a Jag on the street or in a parking lot, during a visit to a Cars & Coffee meeting and especially at car shows.

New member signup

JAG welcomes everyone with a Jaguar (or Daimler) to join our club. Even if you just have a desire to own a Jaguar or lust after one, you can become a Friend of JAG. You can use the application on our website under the Membership tab or you can mail in the printed application form with your payment. Your dues will provide membership in JAG and JCNA, the North America Jaguar Association, through the end of 2024.

Please welcome the following new members

November Lunch

Saturday November 16, JAG returns to Romano's Macaroni Grill and then a visit to the great Bertolotti Car Collection. November 16th at 11:00 AM we gather for a great lunch at Romano's Macaroni Grill at McCarthy Park in Milpitas 110 Ranch Dr Milpitas, CA 95035

You'll enjoy a two course lunch with caesar salad, an entrée of your choice (you choose at lunch) and non-alcoholic beverages. Entrée Choices: Fettuccine Alfredo with Chicken / Mom's Ricotta Meatballs and Spaghetti / Pasta Milano /Chicken Parmesan / Signature Truffle Mac & Cheese

Following lunch, we will make a short drive together for a 1:30pm private tour of the John Bertolotti Classic Car Collection very near the restaurant. Some of the cars may be found at the multipage website at: <https://www.flickr.com/photos/seat850/albums/72157625188086166/>

John Bertolotti has an exquisite collection including Pierce Arrows, and in our group, driving

his jaguar, will be our own Bob Jacobsen, also a Pierce collector. This collection is not widely publicized in the Bay Area and is a true gem that reflects the automotive passion of the very-understated Bertolotti family. We are asking that you not take photographs or cellular photographs while we are there. Also, we have been asked to keep the address of the collection private. If we want to be asked back, we must be good guests.
