President's message for November 2024

Isn't it funny how our perspective change as we get older? I remember when I was a rebellious youth, my parents and teachers often cautioned me against doing certain things they felt may lead to future regrets. Now that I'm older, I find that most of the things I regret now are things that I didn't do when I had the chance: hitchhiking around Europe; learning to speak German; telling Sue Harvey that I loved her in high school. This issue comes to mind because after our recent CalClubs Reunion in Carmel, I couldn't help but feel sorry for any Jaguar club members who missed it. At the risk of inciting regret, I feel compelled to tell you a little about what an incredible event it was.

This year's CalClubs Reunion was extra special because it was our very own Jaguar Associate Group that hosted the four-day event. All members of California's various Jaguar clubs were invited to attend, and quite a few did from as far away as Los Angeles and San Diego. To kick things off on Thursday (Oct. 24th), a group of about 30 Jags drove from Carmel down Hwy 1 to Big Sur, where we had lunch at Nepenthe, an iconic Big Sur destination, which sits high atop a bluff above the Pacific Ocean and offers visitors an unforgettable view. Thankfully, the weather was absolutely beautiful the day of our drive; sunshine and warm temperatures made the drive pleasurable, especially for those of us driving convertibles! That night, we attended a CalClubs reception held in an intimate outdoor patio at Carmel's well-known Forge in the Forest restaurant where delicious hors d'oeuvres and champagne were served. Friday's festivities featured a tour around Pebble Beach's famous "17 Mile Drive," complete with a stop at the Pebble Beach Lodge and a scrumptious lunch prepared by members of the local Kiwanis Club.

Saturday began with a "Cars and Coffee" event for Jaguar drivers, followed by a stellar car show at Carmel Valley Community Park featuring a variety of British car marques. After the show, about 40 cars zipped over to the Laguna Seca Race Track, where we were led us around the circuit three times, unfortunately at speeds that rarely topped 30MPH. The evening concluded with food and drinks at O'Callahan's Pub in the Barnyard shopping center. Sunday's "Fall Colors" drive took us down the full length of Carmel Valley Road to the Salinas Valley, then back to Monterey, where we had lunch at the London Bridge Pub at the foot of the commercial wharf. It was an amazing four days of fun, joyful camaraderie, and celebration.

I must point out that the GREAT SUCCESS of this year's CalClubs Reunion was almost entirely due to the leviathan efforts of our own club's JAGazette editor, Kristan Neubecker. Whether you attended—or regret having missed it—Kristan deserves our heartfelt praise for a job well done.

Looking forward to seeing you all very soon,
Sandor Nagyszalanczy, President

Give hope, give joy, give a toy.

We are bringing the magic of play to patients and families at Lucile Packard Children's Hospital Stanford. All gifts to the JAG page: <https://my.supportlpch.org/fundraiser/5859657> will benefit the Recreational Therapy Fun Fund.

The Fun Fund ensures every patient in the hospital receives a gift. Toys and books are needed to stock the hospital's playrooms, celebrate birthdays spent in the hospital, engage patients at the bedside, and help children reach developmental milestones. Any funds to the Virtual Toy Drive will help meet these needs.

Please help us reach our JAG fundraising goal by donating to our page today. Every gift, no matter what size, makes a meaningful impact in the lives of patients and their families.

Last year our goal was \$2500 and we actually raised \$3500 thanks to the generosity of JAG members. It would be nice to repeat or exceed last years success. Again, our JAG page link:

September Sonoma/Napa Drive

Any time Andy and Marla Preston put on a drive together it is well anticipated. The Sonoma Napa drive on September 26 & 27 was no different. Way before the meeting time 3 Jaguars were spotted at the 76-gas station in Northgate, getting gas, cleaning windows and checking tires. As we drove over to the meeting point, we were surprised to find everyone there way before 9:30 ready to go. 16 Jaguars and their drivers were eager to hit the beautiful backroads of Sonoma and Napa. And after lots of conversations and a driver meeting, we were off. Our first stop was in Sonoma at the Cornerstone, for a nice walk, shopping, coffee and conversation. The second leg of our drive took us onto Trancas Redwood Road towards Lake Berryessa, then onto Silverado Trail and East Sage Canyon Road. When we got to Lower Chiles Valley Road in Napa, we knew the winery was close by. As we all drove into Maxville Winery we were greeted with amazing architecture and vast scenery. As our winery tour began, we found out that the well-known chef MARTIN YAN was there earlier that morning to film his cooking show. After wine tasting, a delicious box lunch, and touring the beautiful grounds. A large group took a tour through the winery's natural caves, while the VP and drive master figured out how we were going to get our whole group of 27 into Catelli's for dinner that night when they wouldn't take more than 8 in a reservation.

Our 3rd leg of that day's drive started out on Chiles Pope Valley Road and then onto Howell Mountain Road. We then hit the beautiful Silverado Trail which never disappoints. A little over an hour later we arrived at the Geyserville Inn. Everybody crowded in the office to check in. Since dinner had been worked out, groups of 6 and 8 arrived at CATELLI'S for dinner. We were all in for a pleasant surprise. Karen Lehman said "Dinner at Catelli's, I felt I was in Tuscany" Jim Kimball said "It was the best dinner I have had. Shirt steak was delicious." Sandor said "Absolutely the best dinner we have ever had." Everyone had glowing remarks whether they ate inside or outside in the music filled beautiful patio.

After a good night's sleep in our comfy hotel, cars were wiped down, drivers got a quick breakfast, checked-in with each other and got ready for LEG 4 of our two-day trip. We started on 128, then onto Frantz Valley Road and Porter Creek Road to Bad Ass Coffee in Santa Rosa. Jaguar drivers took over the little café buying sweets and coffee. Then onto LEG 5 which took us to highway 101 for 37 miles, but the end result was our lunch restaurant, La Toscana. They had a private room all set up for us with a special menu. We had a wonderful lunch with lots of fun conversation and delicious food to end our 2-day drive.

CalClubs Carmel 2024 was a success!

11 wonderful events over four days with perfect weather should have made our founders smile kicking off JAG's 70 Anniversary with everything from a 1936 SS-100 to an IPace, and a bit of everything in between. In total, we had members from 9 clubs represented along with our beloved JAG. Our initial Monterey British Show was an absolute hit with quite a few more cars on the field than were actually registered... While we certainly missed a few key people, in the true spirit of any CalClubs event, many new friendships were made, and we all enjoyed being out together with our cars, and our common love of these beautiful beasts which I am THRILLED to say, other than a push here and there for the SS-100 to get a running start, everyone made it through each event, and made it home under their own power! There are far too many pictures and stories to share so look for a little bit over the next several editions. BOOK YOUR ROOMS NOW, and mark your calendars for Sunday, August 10th, and Monday, August 11th, 2025, we'll see you back in Carmel!
