Our January/February 2025 Newsletter is here, and oh boy, did 2025 come in like a whirlwind! With the speed of a tornado, we were back on track planning a Concours after missing out during the pandemic years.

In our grand preparations for 2025, we faced a few, shall we say, "speed bumps." The excitement was high, the enthusiasm bubbling, but then came the JCNA's new rules, like a bucket of cold water in late summer 2024. We discovered that for our planned early 2025 Concours, we needed a renewal of Certified Judges' status no less than four months prior. JCNA required a minimum of three currently certified judges for sanctioning. Easy peasy, right? Well, not quite.

As it turns out, the last certified training we held was in 2021. Fast forward to 2024, and alas, no judges were eligible. Adding to our woes, we lost our highly skilled chief judge. But never fear! Rosemary Price (Jr.PP) and Larry Schafer (our resident legal eagle) came to the rescue. They dove into the Synopsis of the 2025 JCNA Rules Book and discovered not a gentle breeze, but a full-on tsunami of requirements. Our original January 2025 Concours date was off the table, but the enthusiasm for an early Concours remained strong. By some miracle, we secured a new date and location for February 2025. A grateful THANKS to PATHLIGHT ADVISORS for their sponsorship of our event.

Enter Dave Allen from the San Diego Club, our knight in shining armor. Dave set up a Judges Review and a new Judges Training session for early fall 2024, making sure we hit the four-month sanctioned requirement. With JCNA's sanction, we gained insurance liability, publicity, out-of-state competitors, and the chance to compete for national points. Between Dave & Rosemary, before we knew it, our sanction request appeared three times on JCNA's calendars.

But wait, there's more! Another pressure cooker of a requirement popped up. JCNA mandated that those freshly trained judges had to redo the training to meet the new 2025 guidelines. Dave Allen stepped up once again, agreeing to host another Zoom training session in early January, just 30 days before our February 23, 2025, event. Thanks to our new JCCA members and the dedicated old, certified team who signed up again, we pulled it off. Special thanks to Dave Allen for enlisting several out-of-state JCNA members for the training and volunteering at our Concours. We did it!

We kept our Jaguar Life alive and kicking with Jags and Java meet-ups in Chandler and Arrowhead, along with more hands-on Concours training. No grass growing under our feet! Dennis Eynon and I have finalized the arrangements for our Caribbean Cruising-BEAR Tour in April. Keep an eye on our website and this newsletter for all the exciting announcements... **Jeff**

The February 23rd Concours was dedicated to Phil Parker, our long time coordinator, who could no longer participate. If you care to send Phil a card, visit or take him out for a bite, his new address is Sunrise Senior Living, 5757 W. Chandler Blvd, Chandler, Az 85226. Phone: 480-786-4998, Rm 316.

The JCCA Concours and Auto Show had a wonderful turnout with amazing cars. We had several of our new JCCA members show their cars. They were Nick Smith, Terry Zerr, Jerald Thomas, Syd Saperstein, and Samia Mounts. During the Concours we also announced the winner of our 2024 Event Participation Award and this year we had a tie. The winners were Jon & Lisa Berges and Julian & Kerry Anderson. Congratulations to you all.

Also, let's welcome our new members: Nick Smith, Barry Young, and Allen Hatfield.

If you know of anyone owning a Jaguar and not belonging to JCCA, please tell them about our Club and ask them to join. The yearly dues of \$95.00 pay for both the JCCA and JCNA Memberships. Don't forget to become involved with JCCA. We can always use more help in planning and executing our events. The more involved you are, the better the events. Please provide me with any ideas you think you would like to see or places you would like to go for our monthly D&D or a nice day or weekend road trip. Contact me at [membership@jcca.club](mailto:membership@jcca.club) or 480-560-3057.

NOTE: Still needing members who can help JCCA with the communications, website and newsletter. Anyone experienced with Wild Apricot software, please come forward.

Stay well my Jaguar Aficionados. *Mike*

**Note from Editors: At this time there is no updated information regarding the implementation of JCNA's digital journal format. When we know more we will include in the newsletter.**

“The Clowers’ Last Experiences”

By Jove, the decadent dessert led to spruce-up time. What a show, but it’s not finished until...the Tidy-Up Crew fills the trailers and takes off for storage.. Thanks to all volunteers who helped pack up and drove trailers. Special Thanks to Robert McNeece who just returned from Brazil in time to pick up and return the 80 chairs.

Bravo to Chris Radoccia (Jeep Club) for logistics and transportation of the beautiful, white, electrified, Jaguar Desk (Bar?) donated by member Ken Roberts. If anyone

has a Man’s or Woman’s Cave and would like to be the caretaker of this lovely piece of furniture releasing it from the darkness of a storage unit, until we need it again for a one day event, contact Jeff, [president@jcca.club](mailto:president@jcca.club). You can have it back after the event is over.

Most traditional Jaguar Concours include an organized Rally following the showing of the cars. Coming out of the pandemic with a limited number of volunteers for the Car Show, the Rally did not seem possible. However, you may have left too early. Those staying over another night at the hotel, hosted their own “Waymo Mini Rally” to Tommy Bahamas in Scottsdale’s Kierland Center for libations & dinner.

Thanks, great  
5 person Rally

**Comments from participants:** “...Show was fabulous, weather worked out perfect, food was good, service great, location great...Pathlight company was so hospitable. Impressive hospitality...top notch. I hope we will do it again there.” **(Queen Creek Members)**

**Sun City Member:** “What a great job organizing and executing yesterday’s JCCA event!! It was a first class happening from start to finish.

I had a good time judging with Mike from San Diego.”

**Mesa Member:** “I just want to say you all did an amazing job organizing a fantastic event. I thoroughly enjoyed all of it. The site was ideal and the weather made it all the more beautiful. Thank you all for the hard work it takes to pull off a super event. I look forward to more.”

**Flagstaff Member:** “I actually started out in my Jag, but broke down on the I-17. Returned home and , I know you would tease me, but I had to bring the McLaren. Not sure which one I am taking to Telluride. Hope some of you join us in Flagstaff for the run to CO.”

**Thoughts from Dave Allen, Guest Chief Judge**

Was I asked? Did I volunteer? Who knows? But however, it happened I am proud to have been the Guest Chief Judge for the Jaguar Club of Central Arizona Concours d'Elegance!

I have been the San Diego Jaguar Club Chief Judge for four years and a judge for about eight years. I became a judge to help get a better understanding of authenticity nuances for my E-Type restoration, ongoing since 2016. At no point did I want a Concours car, but I did from Sheffield, England – a steel town that Jaguar. For example: early E-Types have a branded pliers. SSP is Sheffield Steel Prod-field, by Laycock. I remember taking a school old. I have a rather idealistic view that my cars. I digress, which always seems to hap-I mention I'm a Jaguar enthusiast? I really to check out beautiful cars up close; from the all. Judging offers a chance to see magnifi-original cars. I like the inspections, but less basically perfect. However, the Concours uations are needed to separate the sublime and timely feedback can help the Entrant im-

want it to be correct. I'm originally made some (most?) of the Parts for rather elegant tool kit with SSP ucts. The clutch was made in Shef-trip there when I was about 12 years was made of part made by my neigh-pen when talking about Jaguars. Did like Judging because it's an excuse historic to the modern, I like them cent restorations and well-cared-for so the deductions, I mean they're all d'Elegance is a competition, so grad-from the exquisite. Accurate judging prove its score the next time out.

The JCNA Concours d'Elegance program can ultimate aim is to evaluate cars against a car's condition to the moment it rolled out of clean – showroom clean if you like). It must room for accessories. I've simplified the uars are welcome and encouraged also – cars where originality is not required, nor encouraged. Larry and Marj Schafer's magnificent E-Type is an excellent example.

be fun, can be serious fun, but its known benchmark: How close is the the factory. It must be clean (really be as original with a little wiggle standard a little bit: Customized Jag- there's a special class for Modified

Clubs across the North America hold Concours events throughout the Season (yes – including Mexico and Canada). If a serious competitor enters three Concours in a Season, they may become eligible for a North American Award. So potentially a XJS entered in Scottsdale, Los Angeles and San Diego could be competing with another XJS entered in Dallas, Austin and St Louis. That's why the common benchmark is important, and our dedicated Judges maintain consistency across the whole of JCNA.

Behind the scenes, the Chief Judge makes a judging schedule. Assigning judges to each entry. If you were a judge (thank you) and liked the assignments (you're welcome). But if you didn't like the assignments, please let me know. The general aim is to put Judges with cars they're familiar with. Next year we will work on that a bit more for a better "fit". Did I say "next year" – that might be presumptuous!

I learned a lot from the Concours, and I'm interested to see what elements we can incorporate into this year's San Diego Concours (July 12<sup>th</sup> and only a few hours away!) The venue was excellent, the lunch, the band and the bar were top-notch. The evening social at the airport was amazing. I also got a glimpse of the "behind the scenes" activities and appreciate the dedication and energy from Rosemary, Marj and Larry – who worked a lot of the details to get things ready.

Thank you to the Judges, Apprentice Judges, Lauren for taking care of the score sheets, and Andrea and team for Score keeping. I had a wonderful time getting to meet Jaguar enthusiasts and do hope to catch up with the Club in the future.

Remember my E-Type restoration? Well, it developed into more of a Concours rebuild than I expected, and it may even be finished by next year. I hope to meet up with you again. Whether it's in San Diego this year, Los Angeles, Idyllwild or Scottsdale next year with an E-Type for its first time out!
