2025 Rule Book Synopsis

Note: The Previous Rule Book Revisions have been removed and saved to a History of the Rule Book file to be stored on the Library.

Note: Pages are printed front to back, thus both pages have to be replaced when there is a correction on only one of the pages.

Numerous pages had minor changes with the correction of the words “shall, should, may, and will” meaning expressing a strong assertion or intention but not a requirement, have been replaced with the words “is to”, “are to”, and “must” meaning a requirement.

* Although unchanged, some text has moved from one page to another due to additional text being added on previous pages, thus the pages following the changes must be reprinted.

(2025 AGM Administrative Correction for the 2025 concours season)

Advance Concours registration is required. The Entrant (using the appropriate form available in the “Concours” section of www.jcna.com) must provide a list of the qualifying deductions, for the Chief Judge’s review and approval. Pictures of qualifying items may accompany the form.
3. **The mere absence of an item, such as an authentic tool, tool kit or owner’s manual, is not considered a modification that counts towards the point summation needed to meet the S2 deduction requirement. The modification of an item, such as the altering the finish on an authentic tool, does count towards the points required to meet the S2 point deduction requirement.** (2025 AGM Administrative Clarification for the 2025 Concours Season)

Heading "2" renumbered from "1"

D. JUDGE CERTIFICATION AND CERTIFICATION RENEWAL

1. Judge's School

To maintain their certification, Judges must be aware of current Rule Changes as approved at the prior year's AGM. (Rule Change Approved at the 2024 AGM)

The purpose of the Judge's School is to keep Judges up-to-date on these approved Rule Changes and to provide general information regarding judging in an effort to create a uniform form of judging for all clubs. (Rule Change Approved at the 2024 AGM)

A Judges' training and refresher School must be scheduled and conducted annually at least 30 days prior to the Concours for Judges who need to reestablish or extend their three-year term or for those who intend to become Apprentice Judges. (2025 AGM Administrative Clarification for the 2025 Concours Season)

At least once every three years, Judges must attend a Judge's School. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Chief Judges may teach their Judge's School as they see fit. In-person Judge's Schools are highly recommended where Judges can share their knowledge and experiences. However, due to circumstances, some clubs may need to train their Judges without having an in-person Judge's School. (Rule Change Approved at the 2024 AGM)

As an aid, an online Judge's School presentation is available on the JCNA web site along with an online Judge's Test for this purpose. (Rule Change Approved at the 2024 AGM)

For those who cannot attend a club's Judge's School, they must download and complete the current Judge's Test then submit the answer sheet to their club's Chief Judge. (Rule Change Approved at the 2024 AGM)

2. Responsibility

3. The Certification Process for Judges

a. Rule Book Training

Judges must undergo thorough training on the contents of the current Rule Book and/or correspondence describing all changes to the Rule Book that affect the judging process. Judges must review the content, use, and marking of score sheets. (Rule Change Approved at the 2024 AGM)

b. Judge's Test

The purpose of the test is best served by taking it as an open-book test in a group environment, explaining each answer, and responding to all questions. (See Chapter III, D7, Page III-7).

For a currently Certified Judge to maintain their Judge's proficiency, it is the Judge's obligation to take and pass the current year's **[the test current to the year of the club's upcoming concours]** Judge's Test each year with a passing grade of 45 out 50 correct answers. (2025 AGM Administrative Clarification for the 2025 Concours Season)

The test results must be reviewed by the club's Chief Judge at least 30 days prior to the Concours at which the Judge plans to judge. This allows enough time for the club's Chief Judge or an appointed assistant to post the date the Judge passed the test on the JCNA website. (Rule Change Approved at the 2024 AGM)

Note: If a Judge anticipates judging at another club's concours and is within the Judge's three-year cycle of certification with their own club, that Judge must take and pass the online Judge's test at least 30 days prior to judging for another club and have their score recorded on the JCNA web site by their home club's Chief Judge or appointed assistant. (2025 AGM Administrative Clarification for the 2025 Concours Season)

4. Acknowledgement and Verification of Certification

To verify a guest Judge's certification, contact any one of the:

- The Judge's Chief Judge
- The JCNA administrator at 888-258-2534, Extension #9, admin@jena.com
- The chairperson of the Jaguar Concours Committee, jcc@jena.com
- The JCNA webmaster, webmaster@jena.com

Confirm the above contact information in the latest *Jaguar Journal*.

Note: All of the Judges, listed on any given club's Judge Roster, must have a Home Club JCNA number which confirms that they are current JCNA members.

(2025 AGM Administrative Clarification for the 2025 Concours season. Deleted as the rule below was approved at the 2024 AGM)

Should a Chief Judge find that a Judge is out of certification or unable to attend a Concours, the Chief Judge must select an alternate Judge to replace the Judge with another Judge that has already been certified at least 30 days prior to the concours.

Before a Chief Judge accepts the services of a Judge from another club whose status has not previously been reviewed by that Chief Judge prior to the event, that Concours Chief Judge must validate that Certified Judge's latest Test Date and Training Date by going to the JCNA web site, logging into their club's web page, clicking on Judge List, scrolling down to Complete List of JCNA Judges, then entering that Judge's last name or JCNA number without the region or club number prefixes. (2024 AGM)

A pre-concours Judge briefing, at the Concours, does not satisfy the intent of a Judge's School. **The Chief Judge may want to review Appendix J with the Certified Judges at this pre-concours briefing.** (2025 AGM Administrative Clarification for the 2025 Concours Season)

9. Lapsed Judge's Certification

If a Judge's certification has lapsed, the Judge can view the online Presentation and take the online test and forward the test results to that club's Chief Judge for evaluation no less than 30 days prior to the event. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Chapter 3, D20, Page III-15

The Host Club's Chief Judge, or their designee, must notify the JCNA Concours Committee Chairperson that the results are ready for review and are ready to be made official. **In accordance with Chapter I, B4e, Page I-2, Score Sheets only become official once the posted scores have been reviewed and approved by the JCNA Concours Committee.** (2025 AGM Administrative Correction for the 2025 Concours Season). Scores not submitted within the 21-day requirement, could be subject to a delay in being finalized.

Chapter 4, C2a, Page IV-4

a. Special Division Soft Top Exemptions

Special Division Classes S1/PD and S4/CONT when referring to continuation vehicles which were original factory cars without tops, such as the C-Type, D-Type, XJ13, etc., (2025 AGM Admin Clarification for the 2025 Concours Season) are exempt from this requirement. (Rule Change Approved at the 2024 AGM)

Chapter 4, C4, Page IV-4

4. Rear Portion of the Interior and Factory Original Cargo Cover

Champion Division: For vehicles in which the boot area is part of the interior, E-Type Fixed Head Coupe and 2+2 models, station wagons (Shooting Brakes/Sport Brakes) or SUVs, retractable covers are to be extended for judging; fixed covers that are lifted by the raising of the rear hatch cover, may be disconnected from the raised rear hatch for judging. Once judged in the extended mode, the cargo cover may be retracted for ease of judging the lower area. (2025 AGM Administrative Clarification for the 2025 Concours Season)

If the cargo cover is not in place, the cargo cover is to be judged as missing or non-authentic. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Driven Division: For vehicles in which the boot area is part of the interior and the rear area is not covered by a cargo cover, such as E-Type fixed head coupes and 2+2 models, the rear interior is to be judged without opening the rear hatch. (2025 AGM Administrative Clarification for the 2025 Concours Season)

If the cargo cover is in place, the cargo area is not to be judged. If the cargo cover is not in place, the cargo cover is to be judged as missing or non-authentic and the cargo area must be judged to the extent practical, by the interior judge without opening the cargo hatch. (2025 AGM Administrative Clarification for the 2025 Concours Season)

E. PRESENTING THE JAGUAR FOR JUDGING - DRIVEN DIVISION

Engine Verification

Driven Division Entries must be initially displayed with the bonnet open so that before formal judging of each Driven Division Entry begins, a member of either the OV team or the Judging team must first require the Entrant to open the entry's bonnet to verify it has a Jaguar engine and so note on the OV score sheet where a check box is provided. (See Chapter II, Section 1, A4, Page II-1). (2025 AGM Administrative Clarification for the 2025 Concours Season)

c. Striker Plates, Latches, and Support Rods Chips, Stains, Unavoidable Fabric Wear and Soft Top Creasing

1. Unavoidable Contact Wear

Do not deduct for *unavoidable* plating wear, or stains caused by latch mechanisms, rubber bumpers, or support clips where metal or rubber contact is made. This includes bonnet, door, and boot lid latches, striker plates, and support rods. The finish or plating on other portions of the item must be of good quality. This does not include chipping or rubbing caused by parts or assemblies that are misaligned.

Note: Consult the appropriate Judge's Guide for current information concerning the finishes used on door latches and other such similar item. (2025 AGM Administrative Clarification for the 2025 Concours Season)

b. Protective Clear Bras/Coverings

Champion Division

Protective clear bras/coverings, wherever located, are non-authentic and must be assessed the prescribed deductions. Wherever a clear bra/covering is found, both its surface, and the surface it covers, must be judged and deductions made for cleanliness, condition, and authenticity discrepancies, when noted.

Driven Division

Entries are allowed protective clear bras in frontal areas, forward of the front door ("A") posts **and on the backs of the exterior mirrors AS LONG as it completely covers the body colored portion of the mirror,** without a non-authentic deduction. Protective clear coverings in other exterior areas are non-authentic and must be assessed the prescribed deductions. Where present, all clear bras/coverings must be judged to the same cleanliness and condition standard as the paint finish. The surfaces, finish, and/or hardware, covered by/beneath the clear covering, must also be judged for cleanliness, condition and authenticity. (2025 AGM Administrative Clarification for the 2025 concours season)

d. AMCO Accessories

AMCO Accessories were never supplied with a Jaguar Cars part number.

Champion Division: AMCO accessories are non-authentic. For the AMCO Bars, if removed, there must not be any holes or plugs in the overriders.

Driven Division: Because of their prevalence in North America and the circumstances of their installation, they are allowed in Driven Division **without deduction**. For the AMCO Bars, if removed, the holes in the overriders must be plugged. (2025 AGM Administrative Clarification for the 2025 Concours Season)

d-e. Tailpipes, Extensions, Resonators and Hangers

Judge the visible tailpipes for correct location and configuration, and correct resonators, extensions, hangers, and finish.

e-f. Windshield Wiper Arms and Blades

Judge the wiper arms and blades. Early Jaguars with flat windshield glass must have single-piece stiff-backed wiper blades rather than the flexible-type used with multi-pieced blade supports on later curved windshields. Wiper blade brand names are not judged.

8. Tires

a. Champion Division

Using Appendix B, the Entrant's Owner's Manual, or the Entry's Tire Data Plate, judge Champion Division tires for authenticity. (See Chapter VI. Heading F., Note o., Page VI-11). Any brand is acceptable. Cars less than 15 years old must have tires whose speed ratings are equal, equivalent, or superior to their original tires. (See Appendix B). All judged tires' brand, size, construction, tread pattern, sidewall, and speed rating must match (an exception to this rule occurs with some of the newest cars, where the front and rear tires may be a different size). It is the responsibility of the Exterior Judge to judge the road tires. For Champion and Special Divisions, it is the responsibility of the Boot Judge to judge the spare tire. Both Judges are to work together to verify their findings.

b. Driven Division

Tires of any brand, type, or profile, having the original inside diameter are acceptable. Road tires must be of matching brand, type, and profile. Cars less than 15 years old must have tires whose speed ratings are equal, equivalent, or superior to their original tires. **For cars originally equipped with bias tires,** Radial tires are acceptable in the Driven Division. (See Appendix B). (2025 AGM Administrative Clarification for the 2025 concours season)

e. Valve Stems and Valve Stem Caps

~~Tire~~ **Inner tube and tubeless tire valve stems and valve stem caps** must ~~have valve stem caps~~ be appropriate to the vintage **of the car**. Pre-'55 Jaguar tire valve stems must have cad-plated, dome-type metal valve stem caps. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Tubeless tires were first fitted in October 1965 and have pull-through valve stems, however, the fitment of tubeless tires, provided the tires are in keeping with the vintage of the car, is permitted prior to this date, provided the valve stems are the black rubber type. Metal valve stems are non-authentic on pre-alloy wheels. (2025 AGM Administrative Clarification for the 2025 Concours Season)

12. Rear Portion of the Interior and Factory Original Cargo Cover

Champion Division: For vehicles in which the boot area is part of the interior, E-Type Fixed Head Coupe and 2+2 models, station wagons (Shooting Brakes/Sport Brakes) or SUVs, retractable covers are to be extended for judging; fixed covers that are lifted by the raising of the rear hatch cover, may be disconnected from the raised rear hatch for judging. Once judged in the extended mode, the cargo cover may be retracted for ease of judging the lower area. **(2025 AGM Administrative Clarification for the 2025 Concours Season)**

If the cargo cover is not in place, the cargo cover is to be judged as missing or non-authentic. **(2025 AGM Administrative Clarification for the 2025 Concours Season)**

Driven Division: For vehicles in which the boot area is part of the interior and the rear area is not covered by a cargo cover, such as E-Type fixed head coupes and 2+2 models, the rear interior is to judge without opening the rear hatch. **(2025 AGM Administrative Clarification for the 2025 Concours Season)**

If the cargo cover is in place, the cargo area is not to be judged. If the cargo cover is not in place, the cargo cover is to be judged as missing or non-authentic and the cargo area must be judged to the extent practical, by the interior judge without opening the cargo hatch. **(2025 AGM Administrative Clarification for the 2025 Concours Season)**

j. Pin/Body Stripes (Coachlines)

Where offered, factory applied and authentic optional Pin/Body Stripes (Coachlines) consist of one or two narrow, closely spaced stripes complementing or contrasting to the body color. (See applicable Judges’ Guides, JCNA Seminar Technical Bulletins* and Factory Brochures for additional details). Pin/Body stripe (Coachline) embellishments such as initials, monograms, leapers, scrolls, etc. are non-authentic.

k. Pin Beading

Pin beading is the narrow, chrome plated, half-round trim found on early (MK and XK) convertibles, and drop heads. It is called pin beading because, when properly attached, hidden pins on its backside hold it in place. Screws, or other visible substitute fasteners, used to hold pin beading in place, are non-authentic.

*** Only that bulletin content, which directly quotes or copies information from the Jaguar Cars documents, listed in Table C-1, is permitted for validating feature and component authenticity.** (2025 AGM, Administrative Correction, moved from item “q” up under Pin/Body Stripes)

5. Tire Size

Tire size must match the original or an equivalent Alpha Numeric, Eurometric or P-Metric size. (Original sizes are shown in Appendix B) Size must be consistent with the original profile for the car to maintain its proper stance and appearance.

As stated in the Jaguar Service Bulletin, M.15, November 1965, 185 x 15 tires are a proper replacement for Series 1 E-Type tires, thus, either 6.40 x 15 or 185 x 15 size tires are considered authentic for the Series 1 E-Type. As stated in the Jaguar Cars Spares catalogue, page 72, 185 x 15 tires are correct for the Series 2 E-Type and are considered authentic. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Note: At that time period, by default “185x15” tires were “80” series, that being the aspect ratio of the height of the sidewall in comparison to the width of the tread. “185/70x15” tires are Non-Authentic as the tire diameter and road height are not authentic with the keeping of the car. (2025 AGM Administrative Clarification for the 2025 concours season)

Champion Division: Tire size must match the original or an equivalent Alpha Numeric, Eurometric or P-Metric size. (Original sizes are shown in Appendix B) Size must be consistent with the original profile for the car to maintain its proper stance and appearance. Vehicles that were produced 1961-On must be fitted with either radials or bias ply factory available tire sizes.

Driven Division: Vehicles may be fitted with either radials or bias ply tires. The width and profile are not restricted, just the diameter of the tire which must be as factory original.

7. Valve Stems and Valve Stem Caps

Inner tube and tubeless tire valve stems and valve stem caps must be appropriate to the vintage **of the car**. Pre-'55 Jaguar tire valve stems must have cad-plated, dome-type metal valve stem caps. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Tubeless tires were first fitted in October 1965 and have pull-through valve stems, however, the fitment of tubeless tires, provided the tires are in keeping with the vintage of the car, is permitted prior to this date, provided the valve stems are the black rubber type. Metal valve stems are non-authentic on pre-alloy wheels. (2025 AGM Administrative Clarification for the 2025 Concours Season)

Regarding valve stem caps, until proven otherwise or by newly discovered evidence,

q. Pin Beading

Pin beading is the narrow, chrome plated, half-round trim found on early (MK and XK) convertibles, and drop heads. It is called pin beading because, when properly attached, hidden pins on its backside hold it in place. Screws, or other visible substitute fasteners, used to hold pin beading in place, are non-authentic. (Pin Striping, See Note j) (2025 AGM Administrative Correction for the 2025 Concours Season, **Moved up under Pin Striping**)

t. Protective Clear Bras/Coverings

1. Champion Division

Protective clear bras/coverings must be assessed a collective minimum 10.0 points deduction. Clear bras/coverings, which together cover more than 50% of the painted body area, must be assessed the maximum 20.0 points deduction.

2. Driven Division

Protective clear bras/coverings found in other than the frontal area of the exterior **and the backs of the exterior mirrors**, must be assessed a minimum of 2.0 points each, per panel, with a maximum of 10.0 points. (2025 AGM Administrative Correction for the 2025 concours season)

j. Radios, CD or Tape Players and Speakers

Champion Division: **There must** not be any deductions for neatly installed radios of correct vintage, using original or authentic mountings and original speaker housings and grilles.

Driven Division: **Entries** are allowed contemporary radios, tape, or CD players installed in the original radio mounting space, utilizing the original speaker locations and external housings and grilles, without deduction. (2025 AGM Administrative Correction for the 2025 concours season)

Notes:

- 4.75 x 18 tires deleted from manufacturer's listings in Oct.89.
- 6.70 x 16 newly available from Dunlop.
- In May 1963, Service Bulletin M.7 stated that Dunlop SP tires (a radial tire) are suitable for use on MK2 Jaguars; all MK2's may therefore be equipped with either bias ply or radial tires of the prescribed size.
- In light of a Jaguar Service Bulletin, stating that 185 x 15 tires were a proper replacement for Series 1 E-Type tires, delegates to the 1997 AGM voted that either 6.40 x 15 or 185 x 15 size tires would be considered authentic for Series 1 E-Types. Further, that 185/70 x 15 tires, (purchased prior to 1997) shown on Series 2 E-Types, would also be considered authentic.
- As stated in the Jaguar Service Bulletin, M.15, November 1965, 185 x 15 tires are a proper replacement for Series 1 E-Type tires, thus, either 6.40 x 15 or 185 x 15 size tires are considered authentic for the Series 1 E-Type.**
As stated in the Jaguar Cars Spares catalogue, page 72, 185 x 15 tires are correct for the Series 2 E-Type and are considered authentic.
(2025 AGM Administrative Clarification for the 2025 concours season)
Note: At that time period, by default "185x15" tires were "80" series, that being the aspect ratio of the height of the sidewall in comparison to the width of the tread. "185/70x15" tires are Non-Authentic as the tire diameter and road height are not authentic with the keeping of the car. (2025 AGM Administrative Clarification for the 2025 concours season)
